How to sign up for the Yucca Valley Adopt-a-Plant Program

Call Robert Kirschmann at the Yucca Valley Planning Department at (760) 369-6575. He will add your name to a list of people to be contacted when native plants become available from properties to be developed.

To move Joshua trees, call our local tree mover Archie Riser (760) 366-3165.

This listing is not intended to be an endorsement of these nurseries, but rather to provide information about sources of native plants in your area.
